

FLORIDA ENERGY & CLIMATE COMMISSION

EECBG Delegation Request

Subject: Federal Stimulus Delegation of Recipient and Signatory Authority

Date: September 29, 2009

Prepared by: Alexander Mack, Community Program Administrator

Background:

The Energy Efficiency and Conservation Block Grant (EECBG) application was submitted on June 25, 2009. On September 21, 2009 the reviewer of the application has asked for a letter identifying and certifying an individual to receive the grant on behalf of the state

Summary of Action:

Approval is requested to delegate Jeremy Susac, Executive Director of the Florida Energy and Climate Commission and Governor's Energy Office as the primary recipient and signatory authority on all grant agreements, assurances, certifications, disclosures, contracts, and all related documents pertaining to the application and awarding of the Energy Efficiency and Conservation Block Grant (EECBG) funds administered by the FECC.
